*Last week the Year 5 and 6 Young Vinnies visited Ings Home and entertained the residents with singing and recorder playing. They had made cards and decorated stones to give to them also.*

## Advertising Apprentices

Yesterday the Room 4 and 5 Advertising Apprentices presented their named, packaged products and jingles to a panel of judges. The children would like to thank the judging panel of Peter Christophers, Kyleen Brook, Clare Lang, Ralph Stewart, Meg Christophers and Lorraine Knowles for taking the time to come along. The judges were blown away by the enthusiasm and standard of all groups presentations. Come along to assembly tomorrow and see some of these.

These pictures show various stages in this Technology Unit which has been taking place over a number of weeks.
